

# Corporate Laws (Amendment) Bill, 2026

## Why this Webinar?

The proposed amendments under the Corporate Laws (Amendment) Bill, based on the recommendations of the 2025 High Level Committee on Non-financial Regulatory Reforms, aim to simplify compliance, decriminalise technical defaults, strengthen regulatory oversight, and align corporate laws with modern business realities such as digitisation, evolving financial instruments, and enhanced governance expectations.

## Practical implications for companies and LLPs

- Reduced litigation and criminal exposure for procedural non-compliances
- Increased scrutiny on auditors, valuers, and governance mechanisms
- Impact on corporate restructuring, transactions, and reporting processes

## Nuanced discussion and expert insights

- What changes immediately once the Bill is enacted
- What companies and LLPs should start preparing for now
- Practical interpretation of proposed amendments and their implementation challenges
